The feeble girl, the ailing wife, the listless, ernevated youth, the overworn man of pusiness, the victim of nervous de-

To those who have a predisposition to paralysis it will prove a complete and unfailing safeguard against that terri ble malady. There are many, perhaps, who have so trilled with their constitutions, that they think themselves beyond the reach of medicine. Let not even these despair. The Elixir deals with disease as it exists, without reference to causes, and will not only remove the disorder itself, but

The derangements of the system, leading to ner vous diseases, and the forms of nervous disease itself, are so numerous that it would require a column to enumerate the maladies for which this prepararation is a specific. MORSE'S INVIGORATING ELIXER will replace weakness with strength, incapacity with efficiency, irregularity with uniform and natural activity, and this not only without hazard of reaction, but with a happy effect on the general organization.

Bear in mind that all maladies, wherever they begin, faish with the nervous system, and that the paralization of the nerves or motion and sensation is physical death. Bear in mind also, that for every kind of nervous disease the Elizer Cerdial is the only reliable preparation known.

CAUTION. DR. MORSE'S INVIGORATING CORDIAL has been counterfeited by some unprincipled persons. I have a let-ter from my brother, stating that the physician de-gires you to forward another dozen bottles. He thinks under its use the di case is arrested. I may add that my father has tried every physician of distinction in Scotland and England, including Profes sors of Edinburg and Collleges, without relief. CALLAWAY COUNTY, MISSOURI, July 13th, 1854. }
Dear Sir—With great pleasure I inform that your preparation of Beech-Drop has accomplished for me what I thought beyond the reach of human agency. For the last twelve years I have been afflicted with Scrofula of a Cancerous form. So extendive was the ulcers and so herrible my appearance that my case became notorious with all the Faculty in this and the adjoining counties-in fact I had obtained the best medical aid in our State, without any shate ment of the disease. Through a friend I procured a half dozen bottles of your Beech Drep, after using it, so perfect was the cure, that hundreds visited me. My desire is to benefit my fellow man; with that purpose I beg all afflicted with Scrotule in any form

Enclosed you will find an order from some friends for the preparation. Very truly,
